Guinée National Migration Policy (2020)

Migration Policy

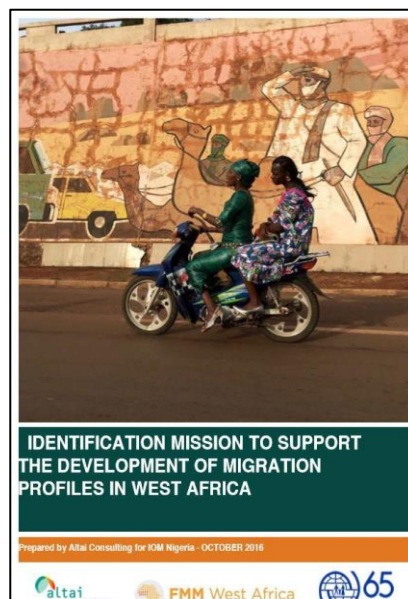

Ghana National Labour Migration Policy (2017)

Labour Migration Policy

ECOWAS Regional Migration Policy (2018 -2028) - Draft

Migration Policy

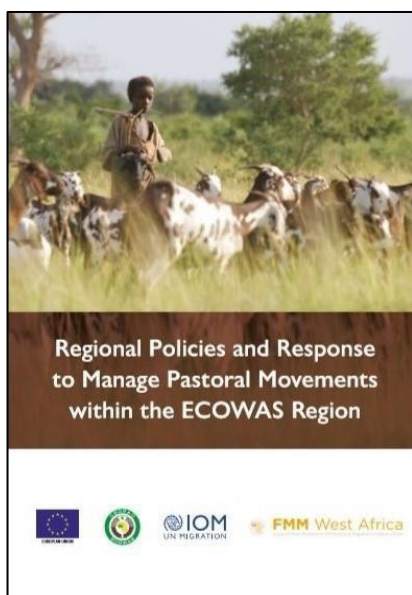

Identification Mission to Support the Development of Migration Profiles in West Africa (2016)

Camille Le Coz, Clément Dupont and Yonas Sebastian Fall

Report

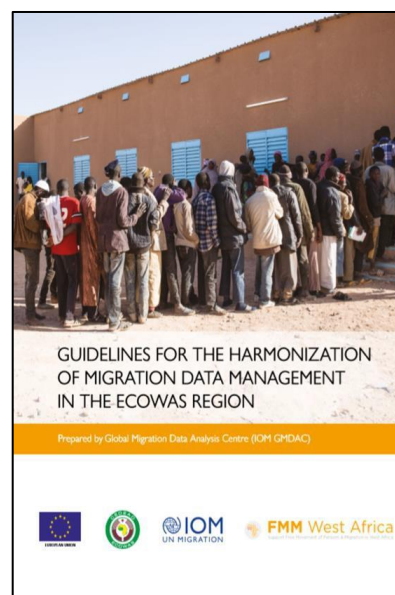

This report reviews the existing structures for migration data collection and management in Benin, The Gambia, Sierra Leone, Liberia and Mali to assess how the structures could be improved to allow the six governments and their partners to regularly produce and update their own migration profiles.

Regional Policies and Response to Manage Pastoral Movements within the ECOWAS Region (2019)
Manuela Leonhardt

Study

This study assesses how far and to what effect movement policies, legislation, and practices are being applied to transhumant pastoralism and provides recommendations on how ECOWAS Member States, particularly Mali, Niger and Nigeria can improve legislation and policy regarding transhumant pastoralism.

Guidelines for the Harmonization of Migration Data Management in the ECOWAS Region (2018)
Ann Singleton and Denis Kierans

Guidelines

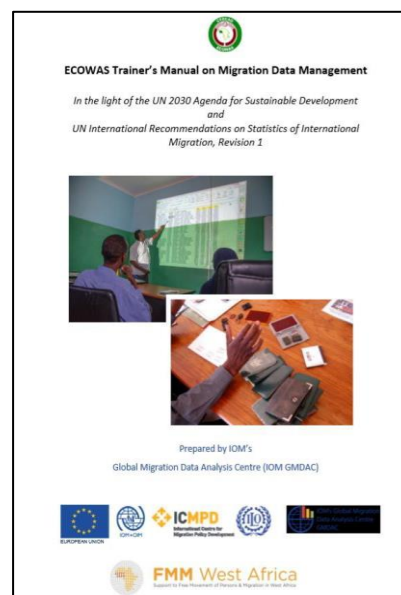

These guidelines help a wide range of stakeholders in migration management to ask the appropriate questions to identify which types of data are needed for policy, how best to collect and analyse data and where it is potentially useful.

ECOWAS Training Kit on Migration Data Management (2017)
Ann Singleton and Denis Kierans

Guidelines

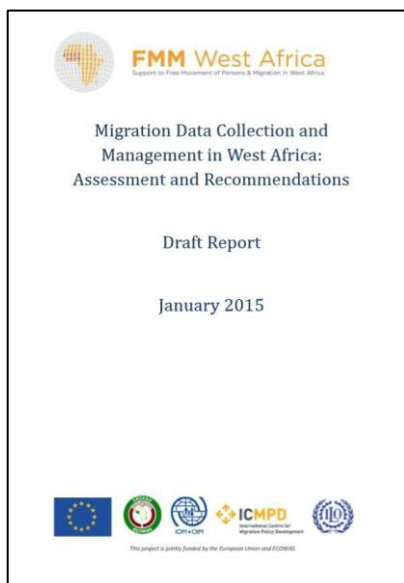

This kit aims to provide the information necessary to develop and improve statistical systems for migration statistics with regards to the quality, coverage, collection and use of migration data.

ECOWAS Trainer's Manual on Migration Management (2017)
Ann Singleton and Denis Kierans

Trainers' Manual

This training manual aims to guide the trainer when planning and presenting lessons from the ECOWAS Training Kit on Migration Data Management.

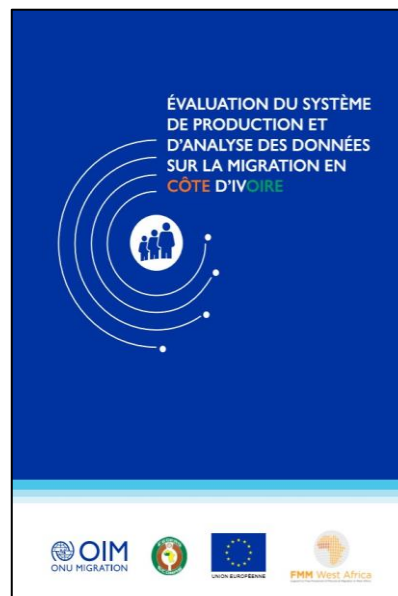

Migration Data Collection Management in West Africa: Assessment and Recommendations (2014) - Draft

Joseph M. Costanzo

Report

This report aims at supporting the process of building capacity of the ECOWAS Commission and its Member States in the area of migration data management by analysing the current status of migration data collection and management capacities and practices in the ECOWAS Commission and the ECOWAS Member States and Mauritania.

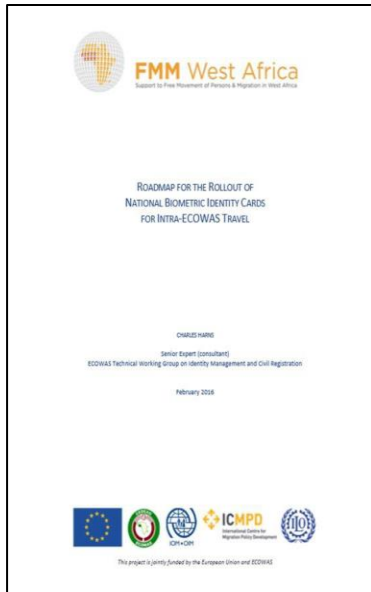

Evaluation of the Production System and Analysis of Migration Data in Côte d'Ivoire (2019)

Djeni Koletti Clement

Study

This study aims to provide the Ivorian government and international agencies with up-to-date information that will serve as the basis for the development of a standardized strategy for the collection, processing, analysis and dissemination of data on migration to support national migration policies

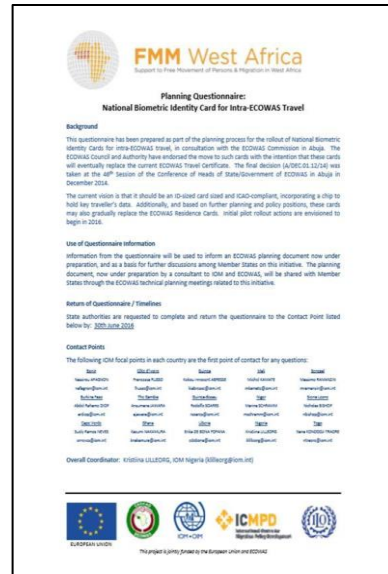

BORDER MANAGEMENT

Roadmap for the Rollout of National Biometric Identity Cards for Intra-ECOWAS Travel
Charles Harns

Roadmap

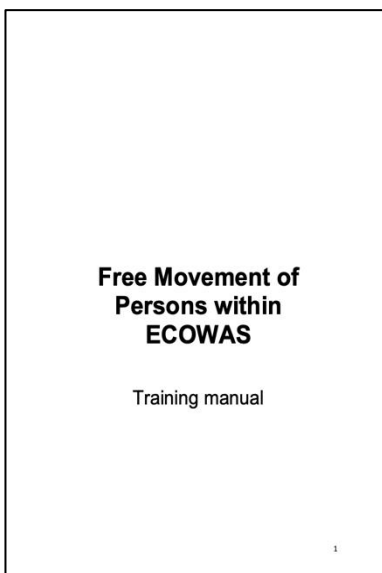

This questionnaire presents an initial roadmap for the rollout of the National Biometric Identity Cards (NBICs). It provides background on the development of the initiative and, taking into full consideration policy development and operational planning by the ECOWAS Commission.

Planning Questionnaire for the Rollout of National Biometric Identity Cards for Intra-ECOWAS Travel
Charles Harns

Questionnaire

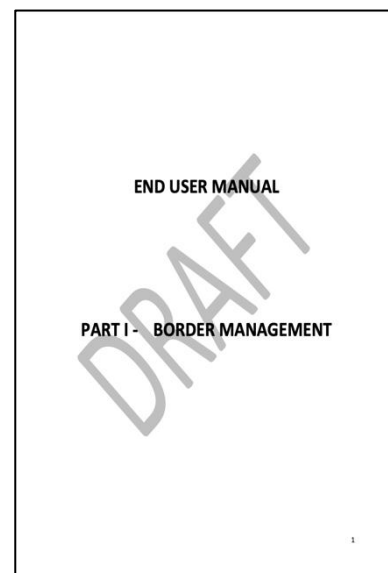

This report provides a summary of the questionnaire responses from the seven responding ECOWAS Member States (Benin, Burkina Faso, Ghana, Liberia, Mali, Senegal and Togo) with brief analysis of the responses across the key issue areas.

Free Movement of Persons within ECOWAS Training Manual - Draft

Manual

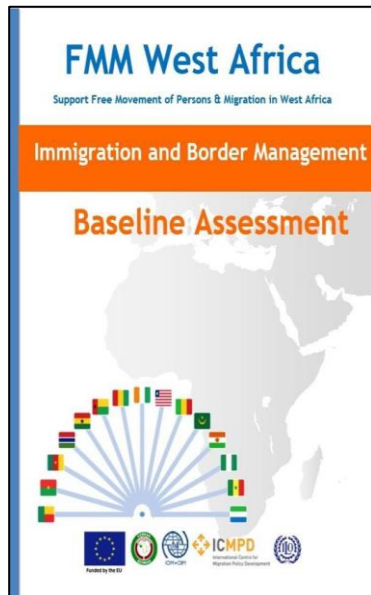

This training manual covers the notion of free movement in a broad sense, that is, not only the right of entry, residence and establishment, but also the civil, economic and social rights necessary for its realization.

Border Management Training Manual – Draft

Manual

This training manual covers the overall concept and existence of border management by highlighting not only key principles but also border crossing points, human rights, local border communities and transparency, accountability and integrity.

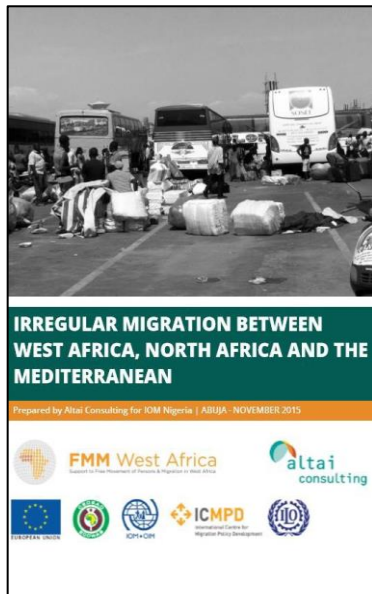

Immigration and Border Management Baseline Assessment (2014)

Livia Styp-Rekowska

Assessment

This assessment examines the policy, regulatory, institutional and administrative aspect of ECOWAS immigration and border management framework, as well as concrete initiatives that are being pursued by ECOWAS.

IRREGULAR MIGRATION AND COUNTER-TRAFFICKING

Irregular Migration Between West Africa, North Africa and the Mediterranean (2015)

Tahar Benattia, Florence Armitano and Holly Robison

Study

This research study focuses on the drivers and dynamics of migration within ECOWAS and Mauritania and from ECOWAS to Europe in order to inform discussions at the 2015 MIDWA Ministerial Meeting held in Nouakchott, Mauritania.

PUBLIC INFORMATION

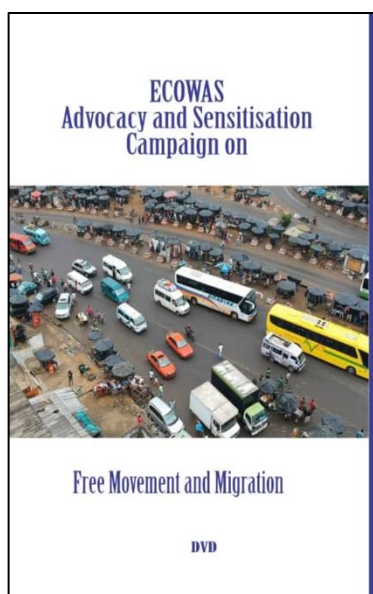

Public Information Baseline Assessment (2014)

Pauline Leonard

Study

This assessment examines the strategic framework, the institutional framework (including coordination mechanisms with several stakeholders), the communication tools, the best practices and the ITC environment.

ECOWAS Advocacy and Sensitisation Campaign on Free Movement and Migration (2020)

5Fifty Productions

Study

This documentary covers the activities of the ECOWAS Advocacy and Sensitisation Campaign on Free Movement and Migration that took place from August 1 – 6, 2019 in Côte d'Ivoire and Ghana.
